Tertiary providers that receive any form of government funding submit a complex statistical return called the SDR and contains information on all foreign fee-paying students who have enrolled from 1 January to 31 August  
Tertiary providers that do not receive government funding (non-SDR providers) submit levy information via a web page.

### Notes:

- 1 OTEPS refers to "Other Tertiary Education Providers" which operate under an Act of Parliament.
- 2 SDR Private Training Establishments refers to PTEs that receive Government funding
- 3 non-SDR Private Training Establishments refers to PTEs that do not receive any Government funding.
- 4 Subsidiary Providers refers to language units that operate under the auspices of a registered provider such as a school or university or PTE.
